How to Use This Index:

This index to Volume 18 is intended to serve as a guide to articles appearing in the *IMF Survey* during 1989. For each article, the headline, date, and initial page number are listed under all appropriate subject headings. Page numbers with "t" indicate tables. Authors of *IMF Survey* articles are indicated by a ☆.

In 1989 the *IMF Survey* focused on special topics in the issues dated April 17 (Spring Meetings), August 1989 (*Supplement on the Fund*), and October 16 (Annual Meetings; also includes coverage of the Governors' addresses).

Page numbers in *Supplement on the Fund* are indicated in the index by S- preceding the page number.

The index includes supplementary listings of new Fund publications (see page 395) and of the speeches of the Managing Director (see page 399), as reported in the *IMF Survey* during the year. These entries are also listed by topic.

Each year's annual index is included in bound volumes of the *IMF Survey* that are furnished by the Fund. Volume 18 will be available at a cost of $36.00 from Publication Services, Box S-270, International Monetary Fund, Washington, D.C. 20431, U.S.A.
